PRESIDENT:

Senator Dawson. Resolutions, Mr. Secretary.

SECRETARY:

Senate Joint Resolution 126 offered by Senator Maitland.

PRESIDENT:

Senator Maitland.

SENATOR MAITLAND:

Thank you, very much, Mr. President and Ladies and Gentlemen of the Senate. Last spring the General Assembly passed legislation that created the Residential Service Authority which dealt with those hard to place young students. And due to a slowdown in our ability to put the

Authority together and get everybody organized, we are unable...the Authority is unable to meet the date when the formal process for the dispute determinations is met...was to be met. And we simply can't meet that guideline, that guideline was originally April 1st. We would like by resolution and subsequent to this by...by legislation change that reporting date to allow us a temporary process to be finalized by June 1, 1986 and the formal process finalized then by April 1, 1987. That, by way of explanation, Mr. President, I have checked with Senator Sangmeister, the...the chairman of the Executive Committee and with Senator Schuneman, the minority spokesman, and I would therefore like to ask that the appropriate rules be waived and immediate consideration be given to Senate Joint Resolution 126.

PRESIDENT:

All right. Senator Maitland has moved to suspend the appropriate rules for the immediate consideration of Senate Joint Resolution 126. Any discussion on the motion to suspend? If not, all in favor indicate by saying Aye. All opposed. The Ayes have it. The motion to suspend prevails. Senator Maitland now moves the adoption of Senate Joint Resolution 126. Is there any discussion? If not, all in favor indicate by saying Aye. All opposed. The Ayes have it. The resolution is adopted. Further resolutions, Mr. Secretary?

SECRETARY:

Senate Resolution 768 offered by Senator Dawson.

PRESIDENT:

Senator Dawson, on Senate Resolution 763.

SENATOR DAWSON:

Mr. President, I would like to extend the...the filing date for April 11th, 1986 for the Select Committee on Medicaid Fraud.

PRESIDENT:

All right. Senator Dawson has moved to suspend the rules

for the immediate consideration of Senate Resolution 768, and extension of the reporting date for the committee. All in favor of the motion to suspend indicate by saying Aye. All opposed. The Ayes have it. The rules are suspended. Senator Dawson now moves the adoption of Senate Resolution 763. Any discussion? If not, all in favor indicate by saying Aye. All opposed. The Ayes have it. The motion carries. The resolution is adopted. Resolutions, Mr. Secretary.

SECRETARY:

Senate...Senate Joint Resolution 127 offered by Senators Rock, Philip, Carroll, Berman, Harovitz and all Senators, and it's commendatory.

Senate Joint Resolution 128 offered by Senator Dawson, and it's congratulatory.

PRESIDENT:

Consent Calendar. Messages from the House.

SECRETARY:

A Message from the House by Mr. O'Brien, Clerk.

Mr. President - I am directed to inform the Senate the House of Representatives adopted the following joint resolutions, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

House Joint Resolution 143, 144, 145...no, 146, 147 and 148. There are four of them commendatory and one of them is a death resolution.

PRESIDENT:

Any business to come before the Senate? Any announcements? Senator Lemke.

SENATOR LEMKE:

(Machine cutoff)...because the Rules Committee has not yet exempted any bills and because of the scheduling problems of several members, the Senate Judiciary I Committee will not meet tomorrow in the morning.

PRESIDENT:

All right. Senator Netsch.

SENATOR NESTCH:

Thank you. Two announcements. One, the Economic and Fiscal Commission will meet at 2:00 p.m. as scheduled in Room 212. Two very important items of business. One is the Legislature's official revenue estimate for Fiscal Year 1987, and the second is our final chance to inquire about and look upon the proposed self-insurance for State employees with respect to their health matters. Two very important items. I would also like to add, if I might, that the Revenue Committee is scheduled to meet Thursday morning and unless we end up not being here at all, the intention is to go ahead. We have no bills...

PRESIDENT:

We...we...we will be here.

SENATOR NETSCH:

We will be here the President assures me. Again, there are two very important items of business even though there are no active bills. One is the industrial development bond cap and our experience with it this last year which undoubtedly will lead to legislation. And the second is a final update on the State's experience with the amnesty program, Senator Rock, and we will be happy to send you a final report as well. Thank you.

PRESIDENT:

All right. Any further business to come before the Senate? Any further announcements? Senator Rupp.

SENATOR RUPP:

I'd like to call a Republican Caucus immediately in Senator Pate Philip's office.

PRESIDENT:

That request is in order. Republican Caucus immediately in Senator Philip's office. For the purpose of an announcement, the Rules Committee...Senator Philip and I discussed

this earlier this morning, the Rules Committee will meet in 330 in the Office of the President. And Senator Philip and I have again this year asked Senators Weaver and Savickas to act as a subcommittee to the Rules Committee for the purpose of fending off the members. Any further business to come before the Senate? Republican Caucus immediately in Senator Philip's office. If not, Senator Demuzio moves that the Senate stand adjourned until tomorrow at one o'clock. Note the time change, one o'clock tomorrow to accommodate the Minority Leader, one o'clock tomorrow. The Senate stands adjourned.
